

## PROGRAM AREA 11: ACCOUNTABILITY PERFORMANCE MEASURES

PA	TYPE	#	MEASURE	OBJECTIVE	DEFINITION	REPORTING FORMAT
11	OP		<b>Number and percent of eligible youth served using graduated sanctions approaches*</b>	<b>Improve program activities</b>	An unduplicated count of the number of youth served using a graduated sanctions approach by the program during the reporting period. Definition of the number of youth served for a reporting period is the number of program youth served during any part of the reporting period using a graduated sanctions approach. To calculate the percentage, divide the number above by the total number of youth served during the reporting period. Program records are the preferred data source.	a. Number of youth admitted to <u>graduated sanctions</u> program: b. Number of youth admitted into any grantee program: c. Percent (a/b)
11	OP		1. Number and percent of staff trained in <u>accountability programming</u>		Determine system accountability based on the idea that for the process to be useful, staff must be trained to use it. Appropriate for most grantees under this purpose area. Report the raw number of staff that have received any amount of formal training about <u>accountability programming</u> (include both general information and agency specific information). Training can be in any format or medium as long as its receipt can be verified. Training can be from any source as long as it was at least facilitated by the Tribal JADG funds. Percent is the raw number divided by the total number of grantee staff.	a. Number of staff trained b. Number of staff c. Percent (a/b)
11	OP		2. Number of hours of training about <u>accountability programming</u> offered	Increase organizational capacity	Determine system accountability based on the idea that for the process to be useful, staff must be trained to use it. Appropriate for most grantees under this purpose area. Report the raw number of hours of training provided. Training can be in any format or medium as long as it can be verified that staff were aware of the training and were able to avail themselves of it (e.g., it was not cost prohibitive or offered at a time that conflicted with other necessary duties). Training can be from any source as long as it was at least facilitated by the Tribal JADG funds.	Number of hours of training offered
11	OP		3. Number of <u>accountability programs</u> in operation	Increase system capacity	Measure of program implementation. Appropriate for grantees that have <u>accountability programs</u> in operation. Report the number of different <u>accountability programs</u> that are operational (e.g., serving clients). Include programs that are partially and fully operational. Different programs would be those, for example, that offer different services, serve different populations, have different procedures or criteria for inclusion or operation, or are run by different people/agencies/organizations.	Number of <u>accountability programs</u> operating
11	OP		4. Number and percent of justice agencies providing <u>accountability programming</u>	Increase system capacity	Measure of system accountability. Appropriate for grantees that encompass multiple justice agencies. For example, a tribal justice system, a tribal or regional government, or a service provider that works throughout the entire justice system. Report the raw number of different justice agencies that have at least one operational <u>accountability program</u> . Percent is the raw number divided by the total number of justice agencies in the local area (e.g., if the grantee is a county, the divisor would be the total number of justice agencies in the county).	a. Number of agencies with an operational <u>accountability program</u> b. Number of justice agencies c. Percent (a/b)

## PROGRAM AREA 11: ACCOUNTABILITY PERFORMANCE MEASURES

PA	TYPE	#	MEASURE	OBJECTIVE	DEFINITION	REPORTING FORMAT
11	OP		5. Number of <u>accountability program</u> slots	Increase system capacity	Measure of system accountability. Appropriate for grantees with operational <u>accountability programs</u> . Report the number of youth that the program(s) can serve simultaneously.	Number of <u>accountability program</u> slots
11	S-T OC		<b>Number and percent of program youth completing program requirements*</b>	<b>Increase accountability</b>	The number and percent of program youth who have successfully fulfilled all program obligations and requirements. Program obligations will vary by program, but should be a predefined list of requirements or obligations that clients must meet prior to program completion. Program records are the preferred data source.	a. Number of program youth who exited the program having completed program requirements b. Number of youth who left the program c. Percent (a/b)
11	S-T OC		6. Number of <u>supervision</u> meetings per youth per month	Increase system capacity	Measure of program quality. Appropriate for grantees with operational <u>accountability programs</u> . Report the average number of times participating youth met with a representative of the justice system in the preceding month. Depending on the program, it may be youths' probation or parole officer, a specialty court judge, or the staff at the <u>detention</u> or day reporting center that monitors youths' progress towards fulfilling their justice requirements.	Average number of <u>supervision</u> meetings per youth per month
11	S-T OC		7. Time in days from offender <u>intake</u> into the <u>accountability program</u> to receipt of a sanctions schedule	Increase system capacity	Measure of system accountability. Appropriate for grantees with operational <u>accountability programs</u> . Report the average number of calendar days from youth intake in the <u>accountability program</u> to their receiving a sanctions schedule. Intake can include things like signing a participation agreement or assignment of a program case specialist.	Average number of calendar days from enrollment to receipt of a sanctions schedule
11	S-T OC		8. Number and percent of youth with a <u>behavioral contract</u> developed at their <u>intake</u> into the <u>accountability program</u>	Improve program quality	Determine whether <u>graduated sanctions</u> are being used as intended with the development of <u>behavioral contract</u> at youth <u>intake</u> . This measures system accountability. Appropriate for all programs implementing <u>graduated sanctions</u> . Report raw number of youth in <u>graduated sanctions</u> programs that had a <u>behavioral contract</u> developed when they entered the program. Percent is calculated by dividing the number of youth with a contract developed at <u>intake</u> by the total number of youth to enter the <u>accountability program</u> .	a. Number of youth with a <u>behavioral contract</u> at intake b. Number of youth to enter the program c. Percent (a/b)
11	I-T OC		9. Time in hours from <u>infraction</u> to sanction	Increase system capacity	Measure of system accountability. Appropriate for grantees with operational <u>accountability programs</u> . Report the average number of hours from when youth violates the <u>behavioral contract</u> , or the program rules, to when receives a sanction.	Average number of hours from <u>infraction</u> to sanction

## PROGRAM AREA 11: ACCOUNTABILITY PERFORMANCE MEASURES

PA	TYPE	#	MEASURE	OBJECTIVE	DEFINITION	REPORTING FORMAT
11	I-T OC		10. Number and percent of sanctions that are successfully contested by youth or their families	Improve program quality	Measure of program accountability based on the idea that procedures for <u>contesting sanctions</u> are a vital part of <u>accountability programming</u> . Appropriate for grantees with operational <u>accountability programs</u> . Report the raw number of sanctions that are overturned, reversed, or revised. Percent is the raw number divided by the total number of sanctions enacted.	a. Number of sanctions successfully contested b. Number of sanctions imposed c. Percent (a/b)
11	I-T OC		11. Number and percent of youth referrals across departments, organizations, agencies or units	Increase system effectiveness	Measure of system collaboration. Appropriate for grantees that work with other agencies to provide client services. Report the raw number of client referrals (to or from the grantee) that involve other departments, organizations, agencies, or units). Percent is the raw number divided by the total number of client referrals.	a. Number of cross-agency client referrals b. Number of client referrals c. Percent (a/b)
11	I-T OC		12. Number and percent of eligible of youth to enter an <u>accountability program</u>	Improve program activities	Measure of system accountability based on the idea that the system should meet the identified need for service. Appropriate for grantees that oversee youth, such as court systems or probation departments. Report the raw number of youth enrolled in <u>accountability programs</u> during any part of the reporting period. Percent is the raw number divided by the total number of youth processed by the grantee during any part of the reporting period that met the criteria for inclusion into an <u>accountability program</u> (e.g., they were not <u>arrested</u> for an excluded crime).	a. Number of youth in <u>accountability programs</u> b. Number of youth processed by grantee c. Percent (a/b)
11	I-T OC		13. Number and percent of youth to receive <u>aftercare services</u>	Increase system capacity	Measure of system accountability. Appropriate for operational <u>accountability programs</u> or grantees that oversee youth (e.g., case managers, probation, or parole officer) who participate in <u>accountability programming</u> . Report the raw number of youth to receive aftercare programming as part of the <u>accountability program</u> . Percent is the raw number divided by the total number of youth to participate in an <u>accountability program</u> .	a. Number of youth to receive aftercare b. Number of youth to participate in an <u>accountability program</u> c. Percent (a/b)
11	I-T OC		14. Average percent of days youth received treatment/services	Improve program activities	Measure of system accountability and program implementation. Appropriate for grantees with operational <u>accountability programs</u> . Report the average number of calendar days that youth receive an <u>accountability program</u> treatment or service divided by the total number of days they were enrolled in the program. Include clinical, non-clinical, and supervision treatment services.	a. Average number of days youth receive a service b. Average number of days youth are enrolled in <u>accountability programming</u> c. Percent (a/b)
11	I-T OC		15. Number and percent of youth assigned to <u>alternatives to detention</u>	Improve program effectiveness	Measure of system accountability based on the idea that youth should not be placed in detention unnecessarily. Appropriate for grantees with operational <u>accountability programs</u> . Report the raw number of program youth who were assigned to an <u>alternative to detention</u> that, without the program, would have been assigned to <u>detention</u> . Percent is the raw number divided by the raw number plus the number of youth assigned to <u>detention</u> .	a. Number of youth assigned to <u>alternatives to detention</u> b. Number of youth to receive <u>detention</u> c. Percent (a/(a+b))

## PROGRAM AREA 11: ACCOUNTABILITY PERFORMANCE MEASURES

PA	TYPE	#	MEASURE	OBJECTIVE	DEFINITION	REPORTING FORMAT
11	I-T OC		16. Number of days of program participation per youth	Increase organizational capacity	Measure of program scope. Appropriate for grantees with operational <u>accountability programs</u> . Report the average number of calendar days youth participate in the program (i.e., from <u>intake</u> to completion). Include both clients who complete successfully and those who do not.	Average number of days youth are enrolled in the program:
11	L-T OC		<b>Number and percent of program youth who reoffend</b>	<b>Reduce delinquency</b>	The number and percent of program youth who were rearrested or seen at juvenile court for a new delinquent offense. Appropriate for any youth-serving program. Official records (police, juvenile court) are the preferred data source.	a. Number of youth with a new offense b. Number of youth in program c. Percent (a/b)
